

fired in order to stop the assailant. Officer Eucce joined in the pursuit and also fired her weapon. If not for their quick response, there could have been other victims.

This prestigious award is given to State and local law enforcement officers who personify excellence while protecting others. Only 23 members of the law enforcement community from across the country earned this honor this year. Corporal Floyd and Officer Eucce are the first Arkansans to receive this award.

Throughout their careers, Corporal Floyd and Officer Eucce have responded to calls for help while not knowing what challenges they will face. They are heroic public servants who courageously face danger head on. It takes a special person to put their life on the line every day to safeguard the public. Corporal Floyd and Officer Eucce represent the men and women who make a difference in our communities. I applaud their service and commitment to safety and the rule of law and congratulate them for receiving the fourth annual Attorney General's Award for Distinguished Service in Policing.●

OZARK MEDIA ARTS FESTIVAL

● Mr. BOOZMAN. Madam President, I rise today to congratulate the Ozark Media Arts Festival on 10 years of success and recognize the pathway it is creating from education to employment in the multimedia industry in Arkansas and throughout the region.

More than 8,000 students have participated in OMAF, helping these young minds make connections with others who have similar passions in filmmaking, broadcast journalism, production, photography, and other media platforms that keep citizens informed and entertained. The festival allows participants to explore their interests and learn from industry professionals on how to further develop their talents.

OMAF provides a venue for students to showcase their abilities, learn new skills, and compete against the brightest up-and-comers in their field of interest. The recognition that comes with earning the top spot in the competitions hosted by the festival is certainly something to be proud of, and the enthusiasm shared amongst all participants who put their creativity on display is what continues to make the Ozark Media Arts Festival a success and a place for students to foster relationships that will help them transition their skills from an educational setting to the communications industry.

The festival truly is investing in the future of the multimedia industry in the region. It is a good one-stop-shop for high schoolers to learn more about the programs offered at colleges and universities and other programs where they can continue to hone their skills. Just as importantly, it provides a valuable networking opportunity with po-

tential employers and demonstrates how they can turn their passion into a future career.

It was a pleasure to participate in a virtual panel discussion for the 2020 festival as educators, industry leaders, and policymakers and talk about the importance of communication and how technology continues to shape how we get information and stay connected with each other.

Congratulations to Ozark Media Arts Festival on a decade of accomplishments and encouraging multimedia education and building relationships to help future generations of communicators realize their dream of a career in the multimedia industry.●

RECOGNIZING THE JOHN WILLIAM JACKSON FUND

● Mr. RISCH. Madam President, I am pleased to recognize and honor the 20th Anniversary of the John William Jackson Fund and their contribution to the State of Idaho.

Bill "Action" Jackson, of Boise, established the John William Jackson Fund 20 years ago to honor his son, John, who died in a climbing accident in Central Asia. John William Jackson was known for his sense of adventure and passion for academic excellence, performing arts, and outdoor sports. He challenged himself and those around him to believe in themselves and take advantage of their full potential.

The John William Jackson Fund supports Idaho youth through academic scholarships and grants for performing arts organizations, outdoor sporting experiences, and the purchase or rental of musical instruments. Just as John encouraged others to believe in themselves and reach for their dreams, the John William Jackson Fund provides the support and assistance needed to make these dreams a reality. Since 2000, the fund has awarded more than 300 grants and given over \$1 million to Idaho's youth.

In addition to monetary donations, the Idaho Youth Education Recycling Partnership—(iYERP)—was established in 2007, creating a revenue stream for the Fund via metal recycling. This initiative seeks not only to fund scholarships for Idaho's youth, but also create a sustainable environment for these dreams to be met.

Bill Jackson, the fund's cofounder, will be recognized at an upcoming Idaho Philanthropy Day celebration. He will be honored as an outstanding partner in the community as an "Outstanding Adult Philanthropist" on November 13, 2020.

I am proud to recognize the John William Jackson Fund and their contribution to the State of Idaho. Your great commitment to inspire Idaho's youth and honor the memory of John is commendable.●
